To Whom It May Concern;

I have been working with the Urban group of companies for the past four years.

In the past eight months, I have worked with Yuri Nesterov of Urban Glass on six different projects. All had very good results. I continue to use Urban Glass because they make my job easier by providing dependable, fast service with fair and competitive pricing.

I would definitely recommend Urban Glass to others.

Regards,

A handwritten signature in black ink, appearing to read "Jim Saxon". The signature is fluid and cursive, with a long horizontal stroke extending to the right.
